TERMINAL DISCLAIMER

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Declarant, John M. Gynn, represents that he is an Attorney of Record for ULTRADENT PRODUCTS, INC., a corporation of the State of Utah, having a principal place of business at 505 West 10200 South, South Jordan, Utah 84095, and that he is authorized to make this Declaration and execute this Terminal Disclaimer on behalf of ULTRADENT PRODUCTS, INC. Declarant further represents that ULTRADENT PRODUCTS, INC. is the assignee of the entire interest, as shown by the assignments recorded at reel 014642, frame 0404, and reel 014761, frame 0643, in the records of the U.S. Patent and Trademark Office, of the above-identified application, and also of U.S. application Serial No. 10/726,218, filed December 2,

2003. Declarant hereby further certifies that the assignments have been reviewed by him, and to the best of the Declarant's knowledge and belief, title is in the Assignee seeking to take action.

The Assignee hereby disclaims the terminal part of any patent granted on the above-identified application, which would extend beyond the expiration date of the full statutory term of any patent that may issue from U.S. application Serial No. 10/726,218, and hereby agrees that any patent so granted on the above-identified application shall be enforceable only for and during such period that the legal title to said patent shall be the same as the legal title to any patent that may issue from U.S. application Serial No. 10/726,218, this agreement to run with any patent granted on the above-identified application and to be binding upon the grantee, its successors or assigns.

The Assignee does not disclaim any terminal part of any patent granted on the above-identified application that would extend beyond the term of any patent that may issue from U.S. application Serial No. 10/726,218, in the event that any patent that may issue from U.S. application Serial No. 10/726,218 later: (a) expires for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. § 1.321(a); (b) has all claims cancelled by a reexamination certificate; or (c) is otherwise terminated prior to the expiration of its statutory term as presently shortened by any terminal disclaimer, except for the separation of legal title stated above.

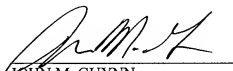

Declarant further declares that all statements made herein of Declarant's own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful, false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of

the United States Code, and that such willful, false statements may jeopardize the validity of the application or any patent issuing thereon.

DATED this 22nd day of July 2006.
